After Care Rate: \$250/session

Why 3 Rates?

We realize families have different abilities to pay, so we've instituted a 3-tier pricing program to make the GWMS program affordable to as many families as possible. We ask that families look at the rate descriptions above and determine which rate your family is able and willing to pay. All children need the opportunity to explore, grow and gain independence; and our tiered pricing is one of the ways we hope to make that possible for more families. The choice is entirely yours and in NO WAY influences your child's GWMS experience.

*If your family qualifies for CCAP, your rate is the Parent Fee you have been assigned by CCAP.
