CONFIDENTIAL ASSISTANCE APPLICATION

At the YMCA of Metropolitan Denver we're a non profit, health and human services organization committed to helping people reach their full potential in spirit, mind and body. We're here to serve people of all ages, backgrounds, abilities, and incomes. As a community-based organization we believe that our programs and services should be available to everyone. That's why we offer the OPEN DOORS program. OPEN DOORS is a sliding fee scale that is designed to fit each individual's financial situation. We believe a strong sense of ownership and pride is developed when the recipient contributes to the cost of their YMCA involvement; therefore, **you will be asked to pay some portion of the fees.**

The funds available for OPEN DOORS are made possible through the generosity of our members, volunteers and community donors through our Community Support annual fundraising campaign.

Individuals need to provide the requested information on the attached form regarding income, family size and necessary expenses so that financial assistance can be provided in a fair and consistent manner. All information will be kept confidential. Assistance will be reviewed for eligibility minimally after a six-month period for program and membership, unless otherwise stated. Your fees are subject to increase when you reapply. If you do not reapply when requested, your enrollment may be terminated.

To process your application, we need verification of household income which could come from any of the sources listed below:

- Two most recent pay stubs, Unemployment, Disability, Social Security stubs, Bank Statement, or Letter of Verification from Employer, Copy of your most recent tax return, or Verification of Public Assistance
- All adults in your household must be accounted for and their income must be reported. Applicants who do not file income tax are required to verify some form of income.

A YMCA Director, based on a thorough review of the application, will determine financial assistance eligibility. Please allow up to 2 weeks to process your application. Personal interviews may be requested. You will be notified by telephone and/or mail if your application has been approved or if you need to submit additional information. Scholarships will be awarded on a first come, first served basis, subject to available resources.

All YMCA members and program participants receive the same benefits, regardless of whether or not they are receiving assistance. YMCA members can feel great knowing they are involved in an organization that is strengthening the foundations of our communities through youth development, healthy living and social responsibility.
